FOR IMMEDIATE RELEASE

**Luis Lugo, Jr. Rejoins PACO Group, Inc. as President and Chief Operating Officer**

**New York, NY** – January 16, 2011 - PACO Group announces Luis Lugo, Jr. has rejoined the company as President and Chief Operating Officer. He will be based in the company's corporate headquarters located in New York, NY. Luis brings over 30 years of experience in management consulting, project management and operations & maintenance in both the military and private sectors, most recently as Vice President of Hill International's Northeast Project Management Group.

"In his new role, Luis will have overall responsibility for the day-today operations, marketing and business development functions. We welcome Luis and wish him great success in his new role." – Frank Otero, Chief Executive Officer & Chairman

**PACO Group, Inc. (PACO)**, is a full service, minority owned and certified program management and construction management consulting firm, specializing in providing a full range of project control and related services, assisting during project initiation, design development, bid/award, and construction. Since 1989, PACO has adapted to various project delivery methods, construction procurement, and evolving technology which has changed the industry approach to project management.
